for Students Moving to Class 8<sup>th</sup> in 2026

**ZEAL**

The Zeal Program is a specialized 5-year course for 8th-grade students preparing for the demanding IIT-JEE and NEET-UG entrance exams.

The program's core goal is to give young students a significant head start. In 8th grade, the focus is on building a solid foundation in the core subjects required for these competitive exams. Then, from 9th grade onward, students begin tackling the full JEE/NEET syllabus. This curriculum is carefully spread over three years, completing by the end of 11th grade. This strategic timeline ensures that students have all of their 12th-grade year dedicated entirely to intensive practice and revision, which is a crucial advantage for success in these exams.

The Zeal Program offers a comprehensive support system, including detailed study materials, regular assessments, and feedback sessions to track progress. A team of experienced faculty provides personalized attention, and dedicated doubt-clearing sessions ensure that no student is left behind.

By joining the Zeal Program, students gain early exposure to challenging topics and the format of competitive exams. It's more than just an exam prep course; it's designed to foster a genuine love for learning and curiosity, setting them on a path toward a successful academic future.
