# About Spectrum

## Spectrum

### A Gateway to Your Success...

Spectrum was established in the year 2010 with enormous vision to provide the best education in a different, innovative and pleasant learning environment in the most challenging field of Pre-Engineering entrance exams.

We are committed to help the young aspirants in their career vision to make their dreams come true of pursuing Engineering fields from the top premier institutes of our country.

The devotion and expertise of our teachers and the methodologies followed by them have generated a confidence amongst the students and parents, due to which Spectrum is regarded as a premier coaching institute for JEE-Main, JEE-Advanced, BITSAT, MHT-CET exam preparation at Nashik.

With **PRACTICE, PERSISTENCE & PERFORMANCE** under the meticulous mentorship of our teachers, Spectrum has been delivering outstanding and quality results each year from Nashik.

## VISION

- We believe that “Learning that is redundant, is no longer knowledge”.
- At Spectrum, we keep on updating our teaching methodology and techniques, to give our students an extra edge in this competitive world.
- We never let our students, divert from their ensuing goals, through regular interaction and follow-ups.

## MISSION

- Spectrum exists to provide the highest quality of coaching programmes to students for competitive examinations, such as JEE-Advanced, JEE-Main, BITSAT, MHT-CET, KVPY, Olympiad and other Engineering entrance exams.

## VALUE

We believe that teaching should be such that what is offered is perceived as a valuable gift and not as a hard duty.

- A commitment to total satisfaction of the students.
- Delivering quality academics.
- Endeavor to make excellent career coaching.
- Managing the organization with unity and discipline.
- Applying innovative approaches to learning.

# From Director's Pen.....

Dear Students and Parents,

**Welcome to the passionate, compassionate learning culture and to a warm Academic System of Spectrum.**

The ultimate touchstone of a quality coaching institute is the quality culture pervading the Institution. Today, Spectrum stands at the crossroads of keeping pace with the emerging needs of the IIT-JEE / Engineering aspirants alongside the changing trends of these Competitive Entrance Examinations. The sacred vibrations of our campus invite you to the unique experience of quality learning in a multi-dimensional and competitive environment where you can discover your latent potential. The jet set transformation, emphasis on our well researched & developed pedagogy and its relevance to the student's needs render Spectrum as the right place to start the Journey towards the Student's Dream College.

To succeed in any competitive examination, you need strong internal motivation. No one can force you to prepare & work hard. Your passion for excellence, ability to learn and an expert's guidance can certainly determine your success in a top level competitive entrance examination.

At present, Spectrum is on a fascinating path of growth and development. As you are aware, it has already established itself as one of the top institute for Competitive Entrance Preparation of the XI-XII level in Nashik Region, but that is just the tip of the iceberg compared to the huge success and results it is producing year-on-year.

The excellence in teaching comes from the careful choice of our faculty members, in which Spectrum has not made any compromise. We have gone to outreach and fetch the best teachers from all over India to enrich our faculty strength and quality. Our faculty strength has increased during the last few years from just 3 to 25+. We have a very strong team of competent teachers who are well experienced and have consistently produced top Ranks at the national-level Engineering and Medical Entrance Examinations. Our esteemed faculty members have excellent academic control & have strength in teaching & guiding students to achieve final goal.

In our efforts to deliver quality education, we emphasis more on the need to establish one to one contact with every student and be attentive to his/ her need so that the teacher can monitor individual's progress and guide them accordingly on the way to success. We strive to provide you with the most conducive atmosphere to study, learn, compete and grow among the best brains of Nashik.

We not only keep the students abreast of the syllabus, pattern & type of questions asked in these entrance exams but also strongly emphasize on developing solid foundations in our students so that they can compete in at national/ international level examinations (like Olympiads) and make us feel proud. We leave no stone unturned in providing our students with the best inputs in an academically stimulating competitive environment and consistently motivating them to achieve their goal.

At this juncture of history, Spectrum is poised for great Results in the Engineering Entrance Exams.

**I launched SPECTRUM to  
give a face to my Dreams,  
and now it is the time for  
you to give a face to your  
Dreams.**
