About Spectrum

Spectrum

A Gateway to Your Success...

Spectrum was established in the year 2010 with enormous vision to provide the best education in a different, innovative and pleasant learning environment in the most challenging field of Pre-Engineering entrance exams.

We are committed to help the young aspirants in their career vision to make their dreams come true of pursuing Engineering fields from the top premier institutes of our country.

The devotion and expertise of our teachers and the methodologies followed by them have generated a confidence amongst the students and parents, due to which Spectrum is regarded as a premier coaching institute for JEE-Main, JEE-Advanced, BITSAT, MHT-CET exam preparation at Nashik.

With **PRACTICE**, **PERSISTENCE** & **PERFORMANCE** under the meticulous mentorship of our teachers, Spectrum has been delivering outstanding and quality results each year from Nashik.

VISION

- We believe that "Learning that is redundant, is no longer knowledge".
- At Spectrum, we keep on updating our teaching methodology and techniques, to give our students an extra edge in this competitive world.
- We never let our students, divert from their ensuing goals, through regular interaction and follow-ups.

MISSION

- Spectrum exists to provide the highest quality of coaching programmes to students for competitive examinations, such as JEE-Advanced, JEE-Main, BITSAT, MHT-CET, KVPY, Olympiad and other Engineering entrance exams.

VALUE

We believe that teaching should be such that what is offered is perceived as a valuable gift and not as a hard duty.

- A commitment to total satisfaction of the students.
- Delivering quality academics.
- Endeavor to make excellent career coaching.
- Managing the organization with unity and discipline.
- Applying innovative approaches to learning.

Simply "We Make Your Tomorrow, Today"

Effective Courses
Relevant and effective courses that place you ahead of your peers in the competitive world.

Experienced & Best Faculty Team
Highly efficient faculty with thorough knowledge and expertise to deliver successful and pragmatic dedication to your studies.

Best Faculty Team for All Batches
Each of our faculty member is dedicated to guide our students to attain confidence in learning & achieve scholastic success.

Ultimate Personal Care
Our Mission is 'student centric endeavour' & we provide personal attention and friendly environment. Most efficient faculty member & management is always ready to support our students.

Result Oriented Teaching Methodology
Interactive classes with scientific and result oriented teaching methodology.

Regular Assessment and Performance Analysis
Daily progress monitoring, Regular tests with quick evaluation, performance analysis & feedback for improvement.

Excellent Academic Control
Our esteemed faculty members have excellent academic control & have strength in teaching & guiding students to achieve final goal.

Full Academic Support
Full academic support even outside the classes through regular problem solving counters, knowledge lab, individual counseling & seminars are conducted for the scholastic development.

From The Founder's Pen .....

Dear Students and Parents,

Welcome to the passionate, compassionate learning culture and to a warm Academic System of Spectrum.

The ultimate touchstone of a quality coaching institute is the quality culture pervading the Institution. Today, Spectrum stands at the crossroads of keeping pace with the emerging needs of the IIT-JEE / Engineering aspirants alongside the changing trends of these Competive Entrance Examinations. The sacred vibrations of our campus invite you to the unique experience of quality learning in a multi-dimensional and competitive environment where you can discover your latent potential. The jet set transformation, emphasis on our well researched & developed pedagogy and its relevance to the student's needs render Spectrum as the right place to start the Journey towards the Student's Dream College.

To succeed in any competitive examination, you need strong internal motivation. No one can force you to prepare & work hard. Your passion for excellence, ability to learn and an expert's guidance can certainly determine your success in a top level competitive entrance examination.

At present, Spectrum is on a fascinating path of growth and development. As you are aware, it has already established itself as one of the top institute for Competitive Entrance Preparation of the XI-XII level in Nashik Region, but that is just the tip of the iceberg compared to the huge success and results it is producing year-on-year.

The excellence in teaching comes from the careful choice of our faculty members, in which Spectrum has not made any compromise. We have gone to outreach and fetch the best teachers from all over India to enrich our faculty strength and quality. Our faculty strength has increased during the last few years from just 3 to 25+. We have a very strong team of competent teachers who are well experienced and have consistently produced top Ranks at the national-level Engineering and Medical Entrance Examinations. Our esteemed faculty members have excellent academic control & have strength in teaching & guiding students to achieve final goal.

In our efforts to deliver quality education, we emphasis more on the need to establish one to one contact with every student and be attentive to his/ her need so that the teacher can monitor individual's progress and guide them accordingly on the way to success. We strive to provide you with the most conducive atmosphere to study, learn, compete and grow among the best brains of Nashik.

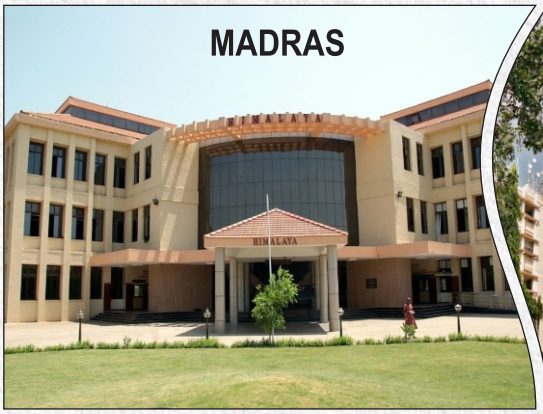

We not only keep the students abreast of the syllabus, pattern & type of questions asked in these entrance exams but also strongly emphasize on developing solid foundations in our students so that they can compete in at national/ international level examinations (like Olympiads) and make us feel proud. We leave no stone unturned in providing our students with the best inputs in an academically stimulating competitive environment and consistently motivating them to achieve their goal.

At this juncture of history, Spectrum is poised for great Results in the Engineering Entrance Exams.

TOP IIT COLLEGES OF INDIA

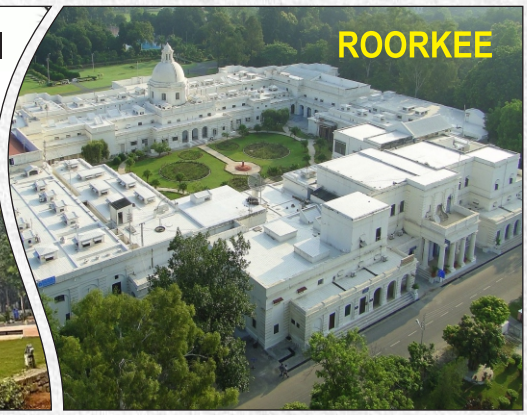

JEE Advanced

Joint Entrance Examination-Advanced (JEE-Advanced), formerly the Indias Institutes of Technology-Joint Entrance Examination (IIT-JEE), is an academic examination held annually in India. It is organized by one of the seven "Old IITs (IIT Bombay, IIT Delhi, IIT Kanpur, IIT Madras, IIT Roorkee, IIT Kharagpur and IIT Guwahati) under the guidance of the Joint Admission Board (JAB). It is the sole prerequisite for admission to the Indian Institutes of Technology.

About The IITs (23 IITs in India)

The Indian Institutes of Technology (popularly known as IITs) are institutions of national importance established through an act of parliament for fostering excellence in education. There are fifteen IITs at present, located in Bhubaneswar, Chennai, Delhi, Gandhinagar, Guwahati, Hyderabad, Indore, Jodhpur, Kanpur, Kharagpur, Mandi, Mumbai, Patna, Ropar and Roorkee. Over the years iits have created world class educational platforms dynamically sustained through internationally recognized research based on excellent infrastructural facilities. The faculty and alumni of iits continue making huge impact in all sectors of society, both in India and abroad. Institute of Technology, Banaras Hindu University (IT-Bhu) Varanasi and Indian School of Mines (ISM) Dhanbad, are the oldest institutions in india and are known for their immense contributions towards society at large and for science and technology in particular.

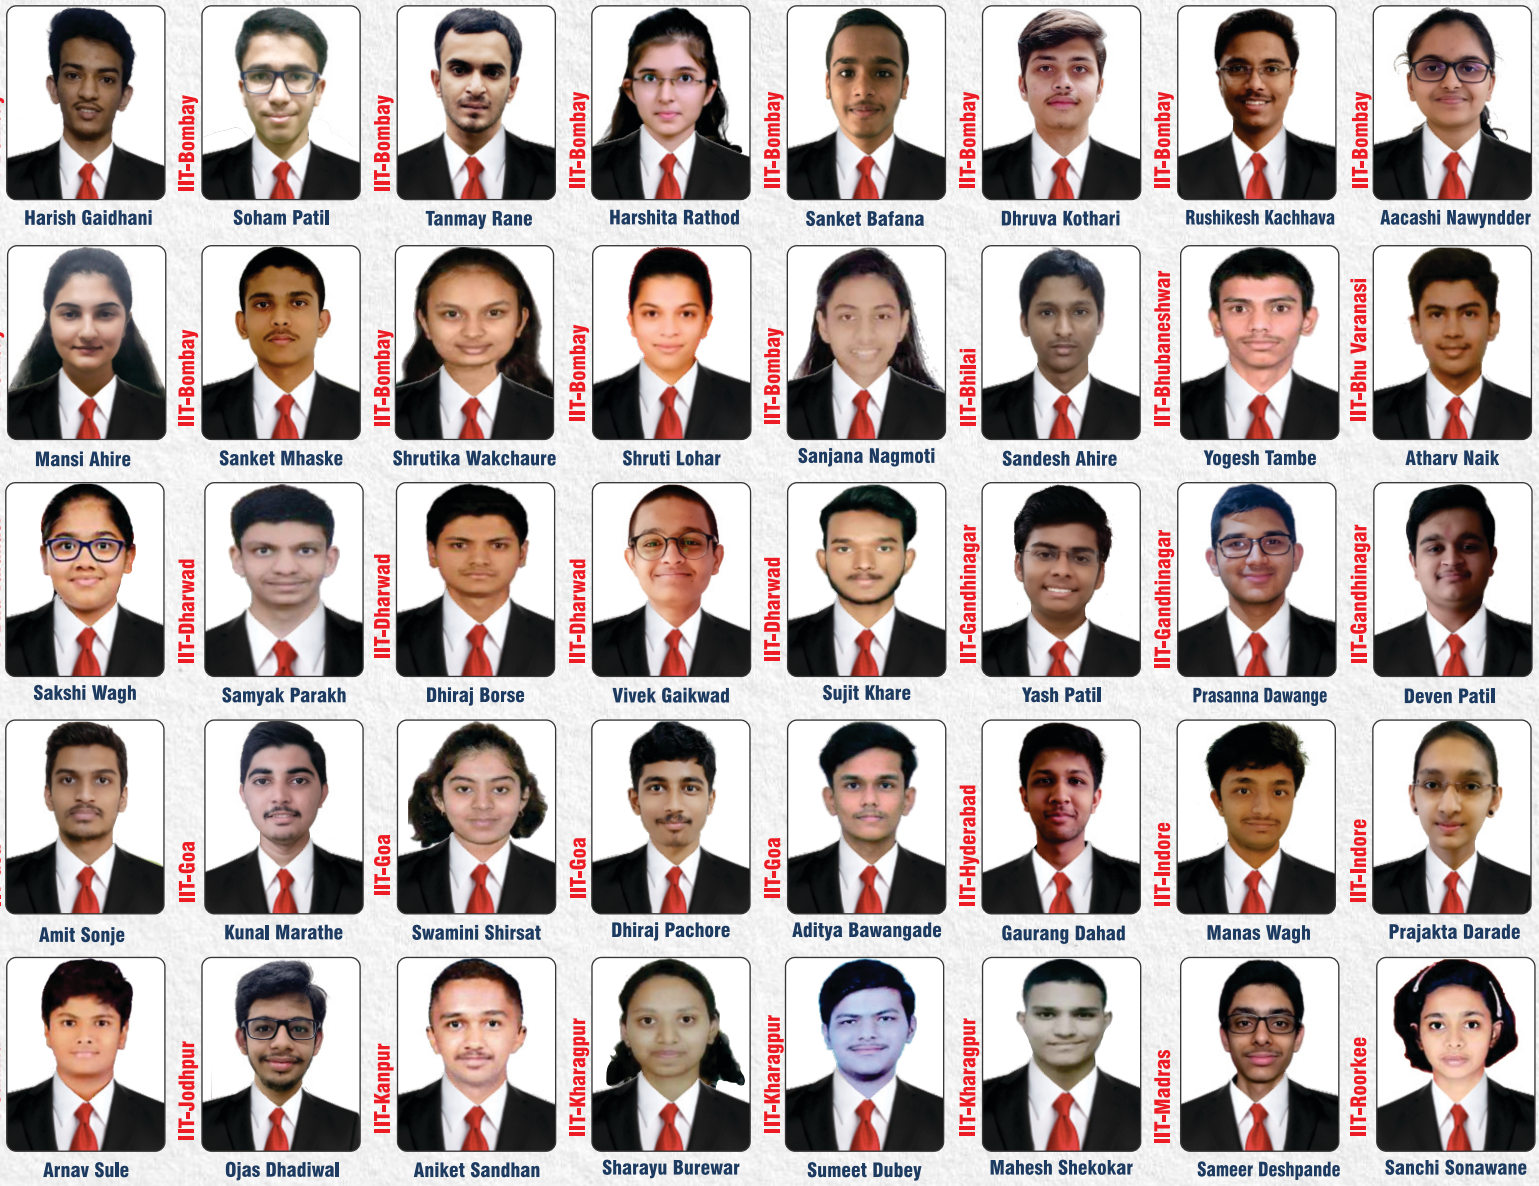

The primary objectives behind such institutions are to :

- Build a solid foundation of scientific and technical knowledge and thus to prepare competent and motivated engineers and scientists
- Create environment for freedom of thought, cultivate vision, encourage growth, develop personality and self-discipline for pursuit of excellence.
- Kindle entrepreneurial streak.

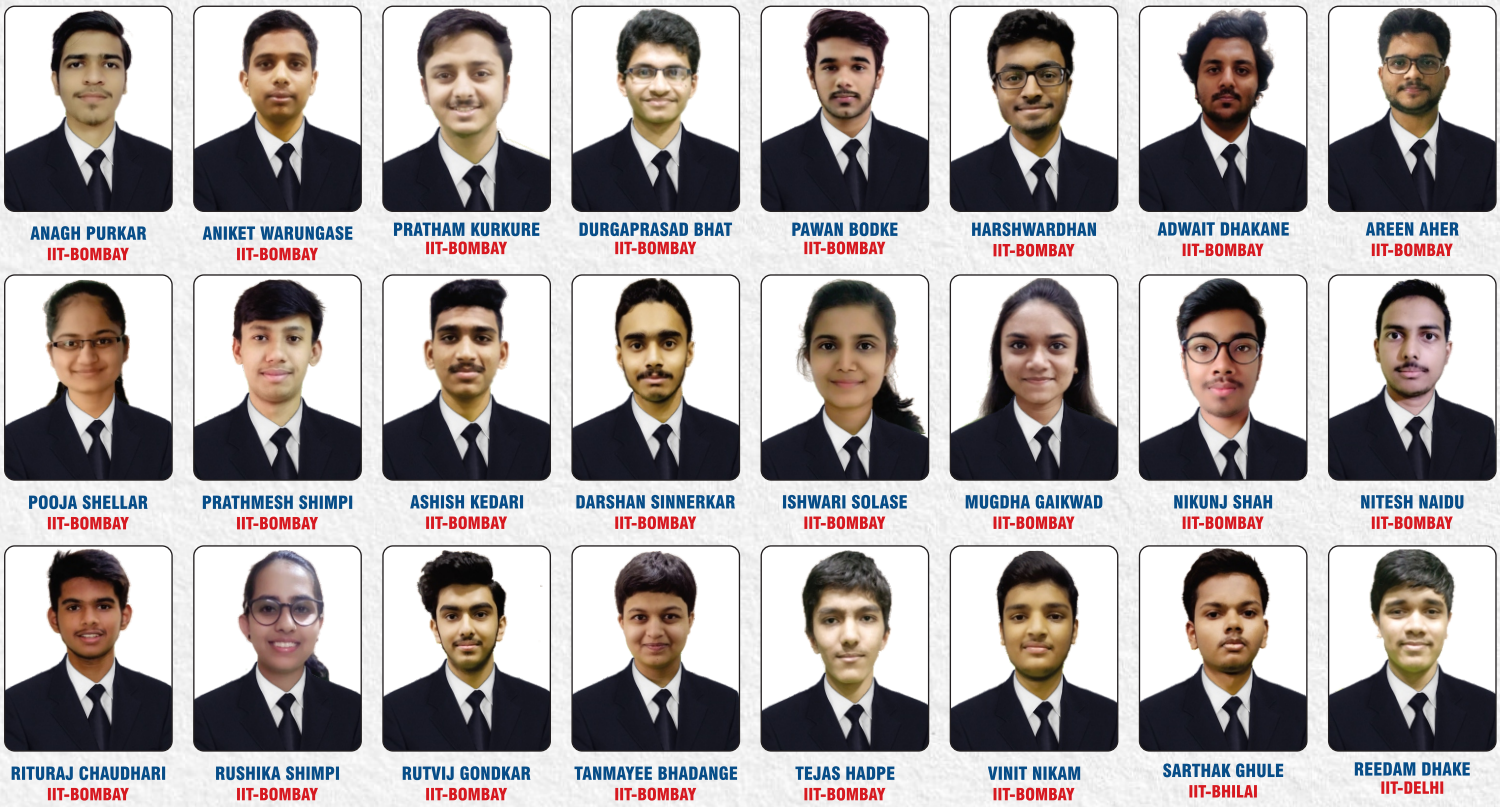

These institutions offer courses leading to bachelors degree in a number of engineering, technological and scientific disciplines. M.Sc. Integrated Courses in pure and applied sciences and M.Tech. Integrated Courses in a few disciplines are also offered by some of these institutions. In addition, some IITs offer dual-degree M.Tech. Programmes, wherein both B.Tech. and M.Tech. degrees are awarded.

JEE-Main

Joint Entrance Examination (JEE) Main will be conducted by the NTA from 2019 onwards. This examination was being conducted by the Central Board of Secondary Education (CBSE) till 2018.

The Joint Entrance Examination (JEE) Main comprises two papers. Paper 1 is conducted for admission to Undergraduate Engineering Programs (B.E./B.Tech.) at NITs, IIITs, other Centrally Funded Technical Institutions (CFTIs), Institutions / Universities funded / recognized by participating State Governments. JEE (Main) is also an eligibility test for JEE (Advanced), which is conducted for admission to IITs. Paper 2 is conducted for admission to B.Arch and B.Planning coursed in the country.

About NIT (National Institutes of Technology)

The National Institutes of Technology (NITs) are the premier autonomous public technical universities under the jurisdiction of Ministry of Education, Government of India. They are governed by the National Institutes of Technology, Science Education and Research Act, 2007, which declared them as institutions of national importance and lays down their powers, duties, and framework for governance. The act lists thirty-one NITs. Each NIT is autonomous, linked to the others through a common council known as the Council of NITSER, which oversees their administration and all NITs are funded by the Government of India. There are a total of 31 NITs in India and admission to B.Tech Programmes is managed through the JoSAA counselling process, based on AIR rank secured in JEE Main.

About IIIT (Indian Institutes of Information Technology)

Indian Institutes of Information Technology (IIITs) are autonomous institutions offering technical education focused on Information Technology and Communication Studies. IIITs have gained popularity among students are considering among the top colleges only after the Indian Institutes of Technology (IITs) and National Institutes of Technology (NITs). There are a total of 25 IIITs in India, five of them are established, funded and managed by the Ministry of Human Resource Development. The other 20 are set up on the public-private partnership (PPP) model, funded by the central government, state governments and industry partners in the ratio 50:35:15.

BITSAT

BITSAT is a computer based online test for Admission to Graduation programs in Engineering of BITS(Birla institute of Technology and Science) Campuses in Pilani, Goa and Hyderabad. The competition for this exam is very intense. In 2016, around 2.2 lakh aspirants appeared for BITSAT for around 2,000 seats available in various BE (Hons.) programs in BITS. The competition keeps getting tougher each year.

Eligibility Criteria :

1.Academic Qualification: For admission to any of the Integrated First Degree Programs of BITS, the candidate should have passed their 12th examination of (10+2) system from a recognised Central or State Board or its equivalent with Physics, Chemistry and Mathematics.

2.Subject in the Qualifying Exams : Further, the candidate should have obtained a minimum of 75% aggregate marks in Physics, Chemistry and Mathematics in class 12th examination, at least 60% marks in each of the subjects Physics, Chemistry, and Mathematics and adequate proficiency in English.

About BITSAT Exam:

Birla Institute of Technology and Science Pilani (BITS Pilani), is a premier academy of higher education in India. BITS was deemed to be a university in 1964. With its expansion to Goa, Hyderabad and Dubai campuses and the Vision 2020 strategic plan, BITS-Pilani is planned to emerge as an Institute of excellence in science and technology education and research. The 240 acres self-contained Pilani campus boasts of its neatly laid design with the recent additions of New Academic Building, Library, sports complex etc. The Pilani Campus hosts the state-of-the-art technology for teaching and research that empowers its intellectual core, especially, a signature network capability that brings the four campuses on a roundtable and shares classrooms. On-campus research facilities and active interdisciplinary research approach have successfully attracted healthy amounts of research funding from government agencies as well as private bodies/ industry. The Institute has also introduced and developed many innovative flexibilities such as Dual degree, Practice School (University-Industry linkages), and Off-campus collaborative work integrated learning programmes. Thus equipped, BITS Pilani steers forward to explore & establish a brighter tomorrow.

Integrated First Degree Programmes offered at the below 3 BITS Campus:

1.BITS Pilani Campus:

a.) B.E. – Chemical, Civil, Computer Science, Electrical and Electronics, Electronics and Instrumentation, Mechanical, Manufacturing
b.) B.Pharm.
c.) M.Sc. – Biological Sciences, Chemistry, Economics, Mathematics, Physics, General Studies

2.K. K Birla Goa Campus:

a.) B.E. – Chemical, Computer Science, Electrical and Electronics, Electronics & Communication, Electronics and Instrumentation, Mechanical
b.) M.Sc. – Biological Sciences, Chemistry, Economics, Mathematics, Physics

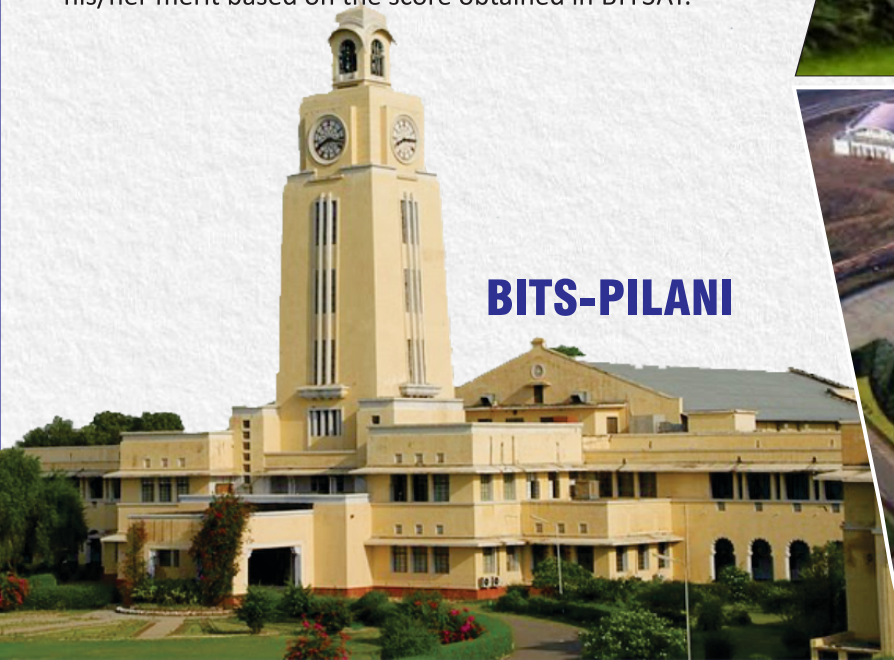

3.Hyderabad Campus:

a.) B.E. – Chemical, Civil, Computer Science, Electrical and Electronics, Electronics & Communication, Electronics and Instrumentation, Mechanical
b.) B.Pharm.
c.) M.Sc. – Biological Sciences, Chemistry, Economics, Mathematics, Physics

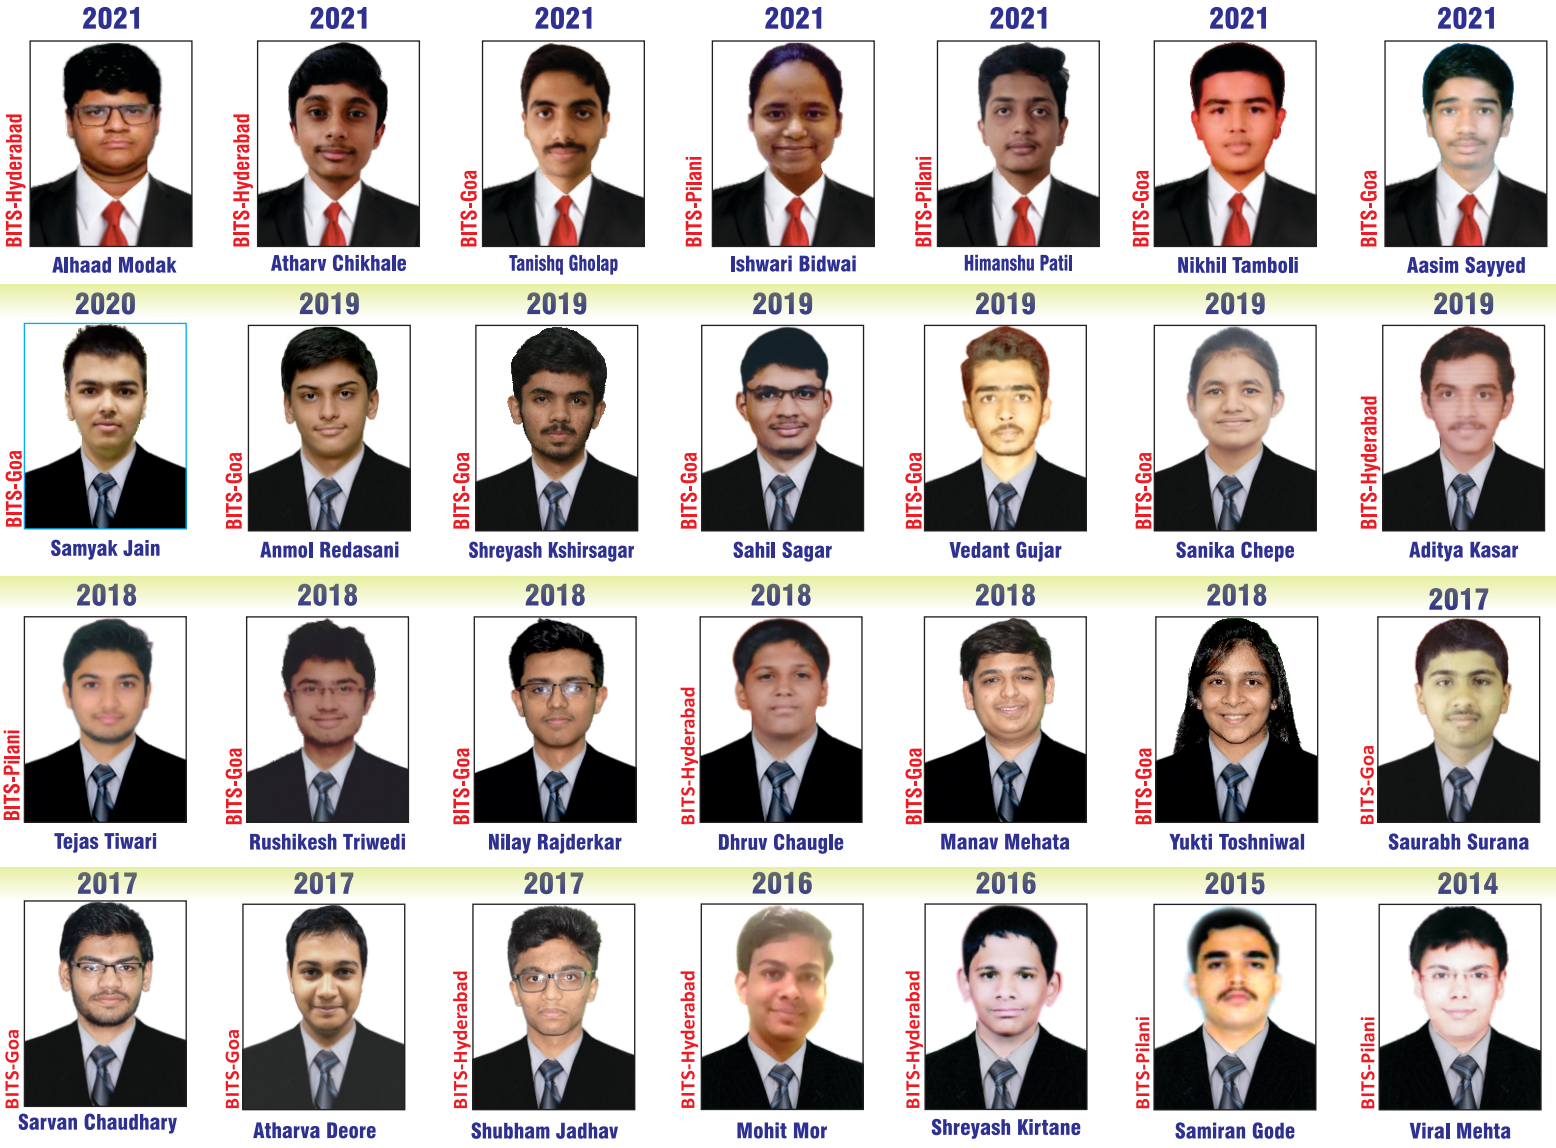

BITS Merit : However, admissions will be made only on his/her merit based on the score obtained in BITSAT.

Spectrumites in various colleges through BITSAT since 2014-2021

Special Approach for

INTEGRATED

For Class VIII to XII (5 Year Pragram) and IX to XII (4 Year Program)

Salient Features

- *The Two Year syllabus of IIT-JEE / Medical is split over three to four years for better conceptual clarity and fundamental building.*
- *More Time for Revision of JEE.*
- *Special Preparation for KVPY and Olympiads.*
- *Simultaneous preparation for School / Board Examination.*

Registration OPEN

JEE (Advanced)

KVPY

About Kishore Vaigyanik Protsahan Yojana (KVPY):

Kishore Vaigyanik Protsahan Yojana (KVPY) is a scholarship program funded by the Department of Science and Technology of the Government of India, aimed at encouraging students to take up research careers in the areas of basic sciences. It offers scholarship and contingency grants up to the Pre-Ph.D. level to selected students. Begun in 1999, it is administered by the Indian Institute of Science.

Fellowship Program:

A KVPY fellow is entitled to receive the monthly stipend pre Ph.D. level or 5 years, whichever is earlier, given that he maintains the minimum grade every year.

- From the second year of B.Sc./B.S./B.Math/B.Stat/Integrated M.Sc./Integrated M.S.Program, KVPY fellows must participate and perform satisfactorily in a summer program in an academic Institution of National or International repute or DSIR approved research labs. This is mandatory for the continuation of fellowship.
- KVPY fellows are issued an identity card which grants them access to national universities and laboratories who have agreed to extend special privileges like lab facilities, libraries, etc.

MHT-CET

About CET :-

MHT-CET (Maharashtra Common Entrance Test) is a common state level entrance exam conducted by the State Common Entrance Test Cell, Government of Maharashtra every year for admissions to undergraduate Engineering, Pharmacy and Agriculture Courses such as B.Tech / B.E, D.Pharma and B.Pharma offered at colleges in Maharashtra. The examination is conducted at various centres across Maharashtra as well as outside the state by Online mode (Computer Based Test) for PCM and PCB group separately.

The exam will comprise three papers. Paper 1: Mathematics, Paper 2: Physics and Chemistry and Paper 3: Zoology and Botany. Questions will be of MCQ type and the duration will be 90 minutes for each paper.

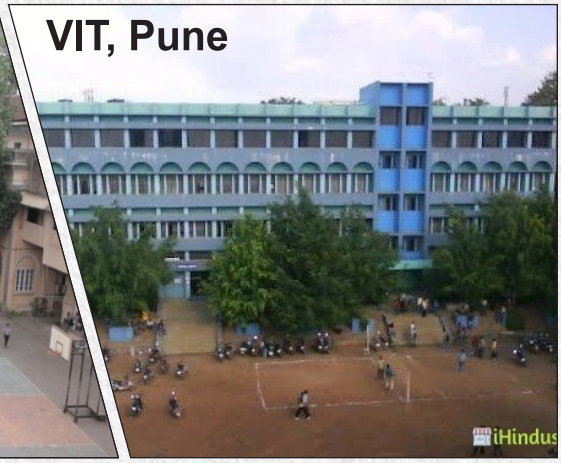

About Engineering Colleges :-

There are many engineering colleges in Maharashtra that offer B.Tech Programs in full-time, part-time, distance-learning, and online modes. Out of these, 33 institutes have been ranked among top engineering colleges in Maharashtra by NIRF. Maharashtra is home to prestigious engineering institutes like IIT Bombay, COEP Pune, ICT Mumbai, Symbiosis Pune, and many more. Admission to engineering colleges in Maharashtra is based on the MHT CET exam. Many engineering colleges which are under the central government offer admission through JEE Main. Mumbai and Pune are the two largest cities in Maharashtra and are termed the center of learning. Other than Mumbai and Pune, there are many other cities that have the scope of education such as Nagpur, Aurangabad, Nashik, Kolhapur among others. Students pursue BTech in the cities which has popular engineering institutes and are the destination for corporate hubs or many other industries like finance, media, and entertainment houses.

TOP MHT-CET COLLEGES

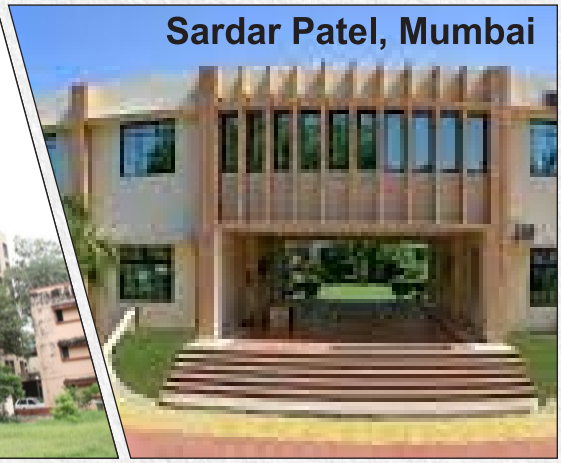

Few Other Top Engineering Colleges in Maharashtra

• K J Somaiya College of Engineering	Mumbai	• MIT	Pune
• Fr. Agnel College of Engg.	Mumbai	• Govt. College of Engg.	Aurangabad
• Sardar Patel Institute of Tech.	Mumbai	• Sinhgad College of Engg.	Pune
• D J Sanghavi College of Engg.	Mumbai	• Dr. D. Y. Patil Inst. of Engg. & Tech.	Pune
• Walchand College of Engg	Sangli	• K. K. Wagh Insti. of Engg. & Research	Nashik
• Shri Ramdeo Baba College of Engg.	Nagpur	• Dr. Babasaheb Ambedkar Tech. University	Lonere

We never compromise on Quality. Our penchant and the pursuit of quality is evident in our activities, in all our actions, at all times, everywhere.

High-Tech Classrooms

Technology at its Best!

Our classrooms have world class PA system with close circuit cameras to facilitate disciplined and advanced teaching.

Doubts Removal

Good Student Teacher Ratio

"If you ask a question, you may appear to be a fool for sometime but if you don't ask it you will remain a fool for the whole life."

At Spectrum we encourage the students to ask questions and doubts. A student may interact with the concerned teacher before or after the class or at any prefixed time as decided by the teacher and the student.

Periodic Test & Results

Students Performance Report & Apt Monitoring

At Spectrum we are always committed towards giving our students the best and keeping them updated so that they stay ahead in the ongoing competitions. Spectrum conducts regular Periodic Tests (Bi-weekly pattern) on JEE Main / Advanced and Board Examination pattern (in Std XII). The tests are evaluated quickly using CBT Mode or OMR Based.

Further, the student's Performance Report is communicated to their parents through SMS on their registered number. Besides these tests a number of class tests and surprise tests of short duration are conducted. A team of expert teachers designs the test paper and the questions in the tests are highly exam orientated.

Study Material

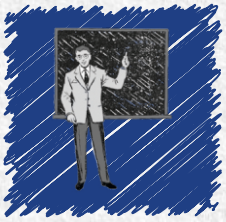

Most Comprehensive Material

Spectrum provides complete updated study material in the form of topic-wise modules and question sheets which carry comprehensive theory, examples to explain the theory, practice exercises, and recent year questions asked in JEE-Mains, Advanced exams. The study material is designed to supplement the classroom teaching of Spectrum. The synchronization of classroom program with the study material is a unique feature of Spectrum which in long run produces synergistic effect on the students and uplifts them to face the rigors of competitive exams with high level of self confidence.

Addressing the Board Exam

Separate Set of Board Faculty

It is a general observation that the students preparing for the competitive examinations do not fare very well at the school board examination level. This often happens because they are grilled more in the competitive domain and are not given elaborate grooming in writing subjective answers required for board examination.

Spectrum has a distinct methodology for preparing the students for competitive and board examination. In standard XII we arrange special HSC Board lectures conducted by our special CET and State Board experienced faculties who help students to revise the topics already learnt during the JEE class. These teachers also share methodical board level tips so that the students can perform excellently well in the exams.

Motivational Sessions

Heartcore of Teaching

"The right nature of caring and sharing- that's what a teacher is" - James Hilton

To help students overcome academic and non-academic problems faced by our students, we provide counselling sessions for all the students. Through these sessions we provide academic guidance, personal care and motivation to help students utilize all of their energy to be successful.

- Academic Motivation by Director
- From Problem to Solution
- Parent Teacher Meeting

CBT

Computer Based Test

SPECTRUM has always been ahead of the curve

Lab for online tests to familiarize students with online test environment and methodology. We have replicated the actual NTA testing platform to help students prepare, practice and get familiarized with the actual platform before appearing in the final JEE-Main, JEE-Advanced, BITSAT, KVPY, MHT-CET Computer based test.

State of the Art Infrastructure

Spectrum contestably owns the best infrastructure in the Nashik city which is also one of the best in Maharashtra. The institute has state-of-the art air-conditioned classrooms with unmatched acoustics, an incomparable sound support, exquisite furniture for seating coupled with round the clock power supply, purified water for drinking and spacious parking space.

You have PROMISE, We'll turn into SUCCESS
